

# Work with Punchdrunk theatre company in your school

Punchdrunk is an award-winning international theatre company with a reputation for ground-breaking productions that blend classic texts, physical performance and design installation in unexpected sites. Since 2008, Punchdrunk Enrichment has delivered magical projects with over 100 primary schools.

A Small Tale: A Teacher-Led Adventure is a Punchdrunk Enrichment project for primary schools (Years 1-4), led by the teacher in the classroom. It aims to inspire and develop imaginative teaching practices for literacy; placing the teacher at the centre of the creativity. Intrigue begins as you and your class read a mysterious old picture book about two mischievous and messy tiny people with a love of stories, the following day the pages are blank, except for two sets of tiny footprints...
