

Look at both sides
of this activity sheet -
how many stars can you
find?

.....

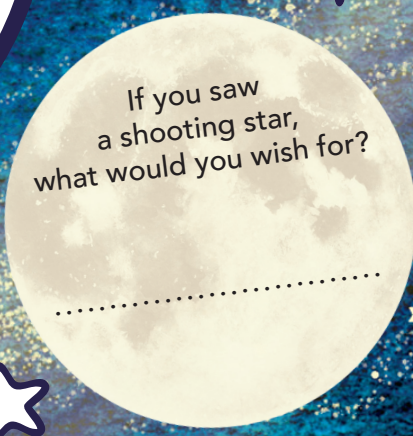

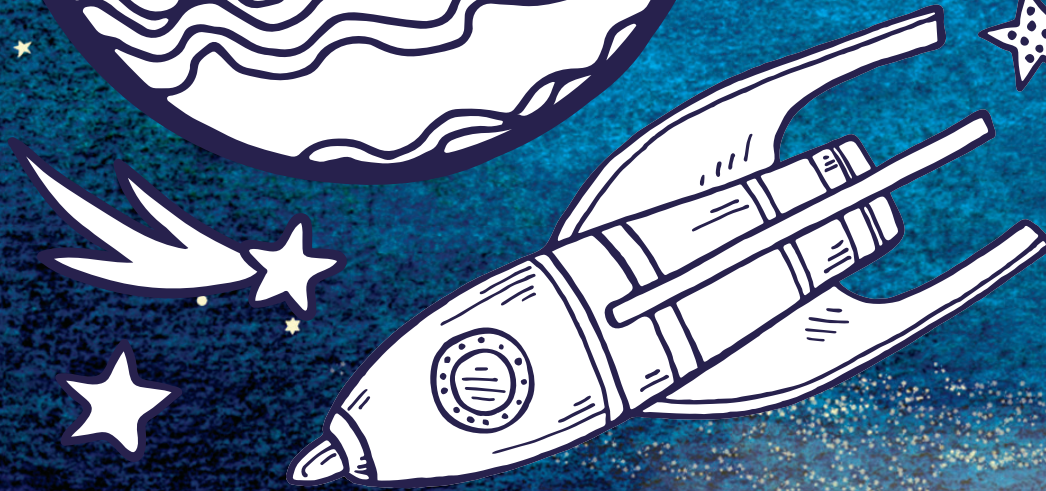

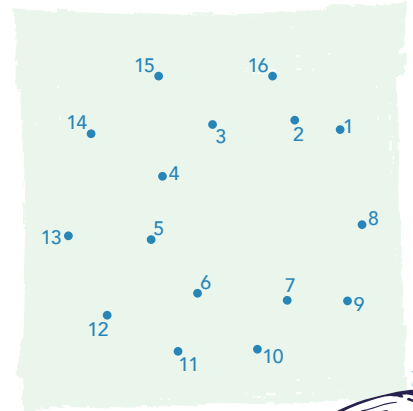

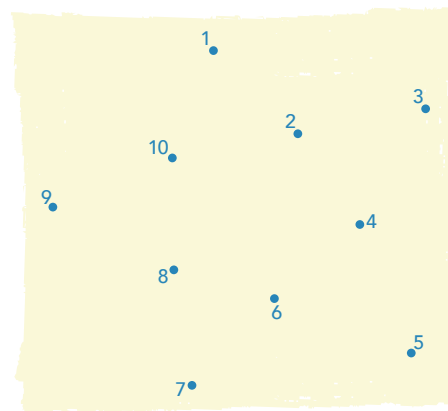

How many space rockets
can you find?

.....

Join the dots and
reveal a character
from the show!

What other
cosmic
shapes can
you reveal?

Draw a picture

About Theatre Hullabaloo

Theatre Hullabaloo is a pioneering organisation that makes, tours and promotes theatre for young audiences, aged 0 - 16 years old, because we believe that they are the most important audience of all.

In 2017, we opened The Hullabaloo, a flagship venue for children and families offering world-class theatre and creative play installations.

Twinkle, twinkle little pig
You are small and I am big
Up above the world so high
Like a super-pig in the sky
Twinkle, twinkle little pig
You eat chocolate
And I eat macaroni cheese

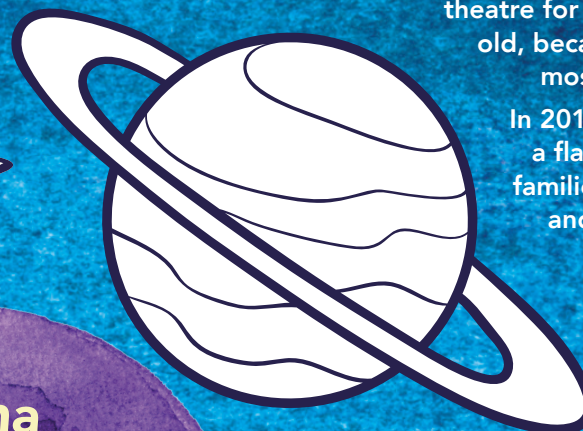

What do
planets sing?
Nep-tunes!

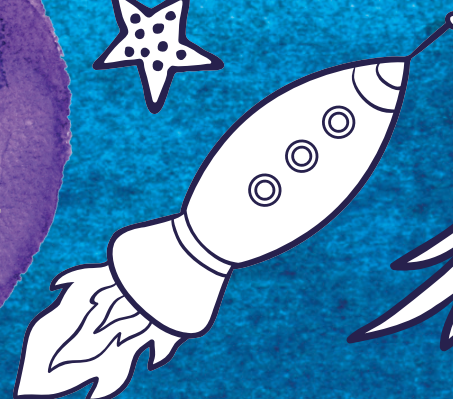

Luna Competition

Share a photo of your child
enjoying their visit to see Luna
on our social media pages with
the hashtag #Luna
