- Make noises
- Come and go
- Move around

**time**

**A Square World is 40 minutes long**

**feelings**

**The story can sometimes**

- Be funny and silly
- Be a little bit sad

# About A Square World

## **My name is Daryl**

I am the performer in the show

- I will talk in funny voices
- I will pretend to be different characters to tell the story
- I will use objects and pretend they are real people

## **This is Jon**

- Jon helped me make the show
- You'll meet him when you come to see the show
- He will help you find a seat and get a good view

## **When you enter the theatre**

- I will be sat behind a table
- Jon will meet you and say hello
- There will be music playing
- Once everyone is sat down the show will start

# A Square World scene by scene breakdown

- At the start of the show I play with lots of white squares
- I start to build some houses from the squares
- We then meet 3 orange cubes who are our main characters

- In the morning they wake up
- One of the characters is grumpy
- One of the characters is worried
- One of the characters is very happy

- Each character has a funny voice, so you can tell the apart
- I put them to bed in their house
- It turns from day time to night time and they fall asleep

## A Square World Easy Read

- They leave home and go to school
- At school we meet their teacher
- She also talks in a funny voice
- The characters do their school work

- But the characters enjoy playtime and dancing more than their lessons

- After school they go and play in the park

- At the park one of the characters has an accident and changes from a cube into a ball

- The characters go home but the ball character cant get in
- He's the wrong shape now
- He has to sleep outside

- In the morning the characters go to school again
- The ball character cant fit through the school door
- He's the wrong shape

- After school they all go to the park
- The ball character cant play on anything
- He's the wrong shape

- The ball character get very sad because he is left out
- Because of his shape he cant play with his friends

- The other characters want to help their friend join in
- I help by using the white square to build something new
- The ball character can now join in and is happy again

## After the show

- At the end of the show, the audience clap their hands
- You can clap your hands too, if you would like to
- If the clapping is too loud you can cover your ears

- Before you leave you can make some shapes yourself
- You can take photos and have your photo taken with me if you would like to
- You can ask me any questions you might have
